BADLY HURT.

A little son of Mr. Wood Mettins, was so unfortunate as to fall into a cellar, at the home of his father, on Saturday, striking his back on a beam and inflicting injuries that are very serious, if not fatal.

ANOTHER BIG LAWRENCEBURG FIRE.

Our little sister city of Lawrenceburg was visited by a big fire on Sunday. It burned the big coopershop of Dowling Bros. and some seven or eight more small cottages. The loss was pretty heavy. Another pressing argument in favor of the new waterworks just voted.

The loss of the coopershop will inflict further heavy loss in the big force of coopers thrown out of work.

FINE HORSE STOLEN.

A fine iron gray saddle mare (together with a new bridle and saddle) were stolen, on Sunday night, from the stable of Mr. Robert Spencer, who lives at the Gallery place, on the Versailles pike. A reward will be paid for the recovery of the horse and the conviction of the thief.

Later—The horse was found in Nicholasville, pretty badly used up.

POSTPONED.

The argument in the case of Jas. B. Howard, accused of the murder of Senator Goebel, was postponed, on Tuesday, until the third day of the January term of the Court of Appeals.

A SCIENTIFIC DISCOVERY.

Kodol Dyspepsia Cure does for the stomach that which it is unable to do for itself, even when but slightly disordered or over-loaded. Kodol Dyspepsia Cure supplies the natural juices of digestion, and does the work of the stomach, relaxing the nervous tension, while the inflamed muscles of that organ are allowed to rest and heal. Kodol Dyspepsia Cure digests what you eat and enables the stomach and digestive organs to transform all food into rich, red blood. Sold by J. W. Gayle.

SATURDAY'S BLAZE.

At 10:50 on Saturday morning an alarm from box 24 called the department to the residence of Mr. M. A. Nickles, on Holmes street, where it was found that a summer kitchen was in a blaze. The fire was soon extinguished, with a loss of some \$50.

Dr. Weaver's Treatment.
Bryar for the blood; Cerase for skin eruptions.

DAUGHTERS CONFEDERACY.

The regular meeting of the Daughters of the Confederacy will be held at the residence of Mrs. E. L. Samuel, Saturday, December 6, 1903, at 2:30 p. m.
All members requested to attend.

BUYS A HOME.

Mr. J. Morgan Chinn, Clerk of the Court of Appeals elect, has purchased the handsome two-story frame house of Mr. W. H. Posey, corner of Third and Main streets. Mr. John B. Chenault, Insurance Commissioner, has recently moved out of this property.

BEST LINIMENT ON EARTH.

I. M. McHany, Greenville, Tex., writes, Nov. 20, 1900: "I had rheumatism last winter, was down in bed six weeks, tried everything, but got no relief, till a friend gave me a part of a bottle of Ballard's Snow Liniment. I used it, and got two more bottles. It cured me and I haven't felt any rheumatism since. I can recommend Snow Liniment to be the best liniment on earth for rheumatism."

For rheumatic, sciatic or neuralgic pains, rub in Ballard's Snow Liniment, you will not suffer long, but will be gratified with a speedy and effective cure. 25c, 50c and \$1.00 at Paul B. Weitzel's.

STEPPED AGAINST A HOT STOVE.

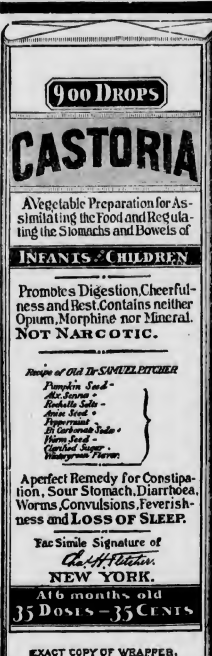

A child of Mrs. Geo. T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove which burned him severely.

The child was in great agony and his mother could do nothing to pacify him. Remembering Pain Balm in the house, she thought she would try it.

In less than half an hour after applying it the child was quiet and asleep, and in less than two weeks was well.

Mrs. Benson is a well known resident of Kellar, Va. Pain Balm is an antiseptic liniment and especially valuable for burns, cuts, bruises and sprains.

For sale by all druggists.

GERMAN SYRUP.

We want to impress on our readers that Boschee's German Syrup is positively the only preparation on the market to-day that does relieve and cure consumption. It contains the specific, such as pure tar, extracts of gums, etc., which have been so highly endorsed for the cure of coughs, colds and consumption by the great medical congresses. The consumptive, whether his disease is in the throat or lungs, must have rest at night, and be free from the spasm of dry and racking cough in the morning. The diseased parts want rest, healing and soothing treatment, and the patient needs fresh air, good food, etc. German Syrup will give free and easy expectoration in the morning with speedy and permanent relief. Small bottles, 25 cents; regular size, containing nearly four times as much, 75 cents. At all drug stores.

COMMUNICATED.

Editor Roundabout:

Kindly permit me space for a few incongruous remarks ament the following:

The Bailey Mill Precinct in Franklin county, about 12 miles from Frankfort, is beyond all doubt the banner Democratic precinct in the State, and will be invited to lead the parade at Gov. Beekman's inauguration, December 8. In this precinct there were 27 votes cast for the Democratic ticket, but not one for the Republican ticket. We had suggested that every precinct in the State do this way, but this was the only one that had enough democracy and real political decency in it to heed our suggestion. —Carlisle Democrat.

There is no doubt about the fact that Bailey's Mill is the "banner Democratic precinct," and if the way things were done there is a sample of the way things were done throughout the State, no wonder that party carried the State by nearly 27,000.

For instance, in the aforesaid precinct there are only 35 voters of all ages and conditions, and when those 35 can be spread out so as to cover a sum total of 27, what could not a precinct in Louisville or Lexington do where there were some 300 or 350 voters?

If that kind of thing is to be extolled as "real political decency," its about time to abolish elections and save the expense by letting a lot of fellows get together at the county seat and apportion the vote as they think it ought to be at the different precincts and let her go at that.

"Enough Democracy and real political decency." Shades of Jefferson and Jackson defend us. We believe the Woodcock made a remark, once upon a time, as he flew away.

NO REASONABLE MAN

Imagines that a neglected cold can be cured in a day. The innumerable ailments in the lungs are inflamed and the throat is as tender as an open sore. But time and Allen's Lung Balsam will overcome the cold and save off consumption. The cough will cease and the lungs will be sound as a new dollar. All druggists sell Allen's Lung Balsam.

ARRRESTED.

Deputy Sheriff Ed. Pearce arrested one Ed. Cunnely, at Jet's Station, on Wednesday last, and lodged him in jail, charged with striking a man with a pair of brass knuckles, and also with striking a woman.

Hives are a terrible ailment to the little folks, and to some older ones. Easily cured, however, by treatment of our ointment. Instant and permanent cure. At any drug store, 50 cents.

CENTRAL WILL CELEBRATE.

Preparations are being made at the Central High school to celebrate the victory of Howard Hudson and Miss Lulu Hayes, who won first honors last night in the preparatory school contest in oratory at the University of Chicago. A large number of Central students called at the school to-day and talked of the victory. A reception will be tendered the school's representatives. Addresses will be made and school songs sung.

The awarding of first place to Mr. Hudson and Miss Hayes is a signal victory, because they were in competition with representatives of high schools of four states, Illinois, Michigan, Wisconsin and Kansas. Mr. Hudson was in competition with seventeen young men, while Miss Hayes defeated twenty young women in her class.

Miss Hayes is the daughter of Mr. and Mrs. F. M. Hayes, of 1265 Michigan avenue. She is in her senior year at Central High school and is regarded as a thorough student. She has devoted much time to elocution and literary work. Miss Hayes read Tennyson's "In the Children's Hospital." She is 18 years of age.

Howard Hudson is a Kentuckian by birth. He chose for his subject Grady's oration, "The New South." He is the son of Dr. and Mrs. T. H. Hudson, of 1001 Prospect avenue. Mr. Hudson is now in his senior year at Central and expects to complete his education with a course at an Eastern college. He has excelled in oratory and elocution during his four years' course.

The contestants were accompanied to Chicago by Prof. I. I. Cammack, principal of Central High school, and are expected to return home either tonight or tomorrow morning. Central has gained a wide reputation among high schools of the country because of the success of the representatives in the past. The victory of Mr. Hudson and Miss Hayes recalls similar honors won by Ralph Swoford, Bryant Cromer and Sherwood Fender. —Kansas City Star, Nov. 14, '03.

Doctor's Doses Weakened Stomach.

Dr. Miles' Nerve Cured Me.

Dr. Miles' Restorative Nerve brings rest and sweet sleep to the tired brain worn out with the cares and anxieties of the sick room. Read the following:

"I have always been healthy with the exception of a touch of rheumatism since my age came on, up to the time of my husband's last illness some years ago. I assisted in nursing my husband for nearly three months when he departed this life and the mental strain I think caused my trouble. Aside from extreme nervousness my trouble commenced with sore throat and neuralgia. My physician gave me purgative doses which weakened me very much and my stomach for a time seemed inactive. Mental strain and the dormant condition of my stomach soon told upon my general health. I had little appetite and was soon forced to stay in bed a greater part of the time. Within a week after the time I began taking Dr. Miles' Restorative Nerve I was up and about the house. I continued their use until completely cured. Mr. Faith in Dr. Miles' Remedies has been strengthened by experience of other people, our daughter having used Restorative Nerve with splendid results in a case of para-lysis and a friend to whom I sent a box of the Anti-Pain Pills reports that she has been completely cured of neuralgia by their use. I know of a number of others whom your medicine has helped in a large degree. I know you can't lose." —MRS. FRANCES COFFMAN, Dayton, Va.

In marked contrast to the great number of adulterated and cheaply made and secret preparations is Walter's Port.

This preparation claims no magic virtue, but has the greatest reputation, and does not presume upon the intelligence of the people by pretending to be a sovereign cure for all the ills to which the flesh is heir.

Walter's Port is a potent tonic, composed of two well-known remedies, port wine and peppin, about the efficacy of which there is no question. J. W. Gayle, Frankfort, sells Walter's Port. Small size 50 cents, large size \$1.

A PORTRAIT WITH A MORAL.

In the December McClure's Magazine there is a strong, poignant drawing of John D. Rockefeller, the Standard Oil Magnate, whose methods are being so mercilessly revealed in the same publication. The picture is full of human interest. It is a profile, the profile of a hard old man, with a cunning, pointed chin, and a mouth closed tight like a leather pouch—pursed. A skull-cap covers the absolutely bald head, the cheeks are hard as parchment, the eyes deep-set. The ensemble is one almost incredibly hard and cunning; and yet from its contemplation it is not fear, or dislike that we feel as much as pity. In that visage there is no life, no blood, no merriment. It is a death-mask, a death-mask in whose right lines are congealed cold, cruel, calculating greed—and dread, dread almost pitiful. There's a whole sermon in that one-page picture of George Varnum.

FINE YOUNG MAN.

We regret to learn that our young friend, Mr. J. W. Daugherty, one of the corps of agents for the Prudential Life Insurance Co., expects to leave our city on Monday, November 30.

Mr. Daugherty has been here but little over a year and has made an enviable record as a hustling agent and first-class, clever fellow with a big crowd of friends.

The Prudential keeps a close eye upon its workers, and good men are quickly recognized and promoted. It is so in this case, Mr. Daugherty has been selected as Detached Assistant Superintendent of that company at Mt. Vernon, Ind.

While we regret to give him up, we congratulate him upon his deserved promotion, and wish him abundant success in his new field of labor.

Superintendent W. H. Watts will be put to it to get as good a man as Walter Daugherty to fill his place.

STANDARD OIL.

In the December McClure's Magazine takes up again her History of the Standard Oil Company. In her tranquil, passionless way, so tranquil, indeed, that, in contrast with the superlativeness of its revelations it takes at times the air of cold irony, she continues to make revelation after revelation, backed by unimpeachable documentation; and day after day her picture of that dread, weird, omniscent Power, the Standard Oil Company, becomes more vivid and more awful. Miss Tarbell's work is beginning to assume proportions almost epic.

SOMETHING UNUSUAL.

Thirty-two days ago on Monday, a fine Jersey cow of Mr. Bowen Henry, which was being pastured by Mr. Clint Shields, was missed from the pasture. Mr. Henry advertised the loss in the Roundabout and other papers.

On Monday afternoon Mr. Shields was passing near an overturned rick of wheat straw, when he observed a movement under the straw. Upon investigation the cow was found under the rick, as thin as a rail, but otherwise uninjured. The animal had not tasted water for the whole time and had lived on the straw.

The question is, how did the cow get under the straw?

She certainly possesses a splendid vitality.

LOST ITS FRANCHISE.

By a dispatch from Versailles we learn that the Municipal Bond and Securities Co., of Cincinnati, has lost their franchise to build an electric railway from this city to Versailles by failing to file the required bond for \$2,500 to complete the road by December 31, 1904. The time limit expired on Monday night. How's this?

CLOSE OBSERVER.

The great American trouble is indigestion, largely a result of the great American habit of hurry.

Hastily swallowed meals are probably the greatest cause of indigestion.

The stomach is given more than its share of work and is weakened. The first thing to do in correcting the trouble is to stop fast eating.

The next thing is to take a good digestive tonic to strengthen the digestion and enrich the impoverished blood.

Such a tonic is Walther's Peptonized Port, a simple combination of pure pepton and good port wine, to be had at J. W. Gayle's, Frankfort, Ky.

Small size 50 cents, large size \$1.

"MISS BOB WHITE"

"Miss Bob White" has broken many records for big business and has opened several new theatres where capacity has been tested, but it scored in Atlantic City a record which is likely to exist for some time. It opened its season at the theatre on Young's Pier in that place. They had played "A Chinese Honey-moon" and was succeeded by "The Silver Slipper," which holds the record for big business at Atlantic City. John Young, vet. eran life-saver and fisherman, now proprietor of the amusement interests in the Jersey metropolis, freely acknowledges that he made more money off "Miss Bob White"—the play gave better satisfaction and he had more people on his pier during its two weeks' engagement than at any one time since he has played to the amusement-loving public by the sad sea waves. "Miss Bob White" has been booked here and will be seen in a few weeks.

STEP BACKWARD.

We regret to see that the Court of Appeals recently rendered a decision that virtually knocks out the local option law. It held that it was no violation of law for any one to GIVE another a drink of whisky, even where the law says that it shall be unlawful to sell or give away whisky.

IN MEMORIAM.

Died, on Pea Ridge, Franklin county, November 19, 1903, Mrs. Rebecca Jane Tracey, beloved wife of Mr. Wm. N. Tracey, aged 70 years.

Peaceful be thy silent slumber,
Peaceful in the grave so low,
Thou no more wilt join our number,
Thou no more our tears shall know.

Dearest mother thou hast left us,
And thy loss we deeply feel,
But 'tis God that hath bereft us,
He can all our sorrows heal.

Yet again we hope to meet thee,
When the cares of life have fled,
Then, in heaven, with joy we'll greet thee,
Where no farewell tear is shed.

Dear wife, you are gone, but not forgotten;
Never shall your memory fade,
Sweetest thoughts shall ever linger,
Round the grave where you are laid.

Read what this one says:
W. F. Frazier, proprietor of Frazier's Candy Kitchen, 43 St. Clair St., residing at No. 5 Second St., says: The efficacy of Doan's Kidney Pills was amply proven in my case. I suffered from backache a great deal, often so severely that I could hardly turn in bed. In the morning when I got up it was a common thing to feel lame and sore in the back. Being on my feet so much of the time in my store no doubt tended to aggravate the trouble. Anxious to find some relief and a permanent cure if possible, when I learned of Doan's Kidney Pills and saw them so highly recommended by people living near by, I went to J. W. Gayle's drug store and got a box. It was a glad surprise to me to find that after taking them for a day or two they were removing the pain. I continued the treatment and by the time I had finished the box the trouble was entirely removed. Up to date I have felt no recurrence. It is a pleasure to me to endorse this preparation.

Messrs. J. S. Petty, W. H. Gatewood, W. A. E. Lancaster and Cyrus T. Duval returned on Saturday from a hunting trip of a week's duration in Casey county. They were only moderately successful.

Mrs. Annie Pilder, of Fayette county, who has submitted to a painful operation, is quite ill at the home of her mother, Mrs. Lett.

Our farmers generally took advantage of the fine, cool weather of last week to slaughter their hogs. There are lots to eat now in the way of fresh sausage, spareribs, backbones, etc., and then shortened corn bread to fill up with, and don't forget the hominy. Verily there are no people on earth who have more to be thankful for in this good year than ours.

Corn has declined in price sharply for the last two weeks. It is slow at 42 per bushel even now.

Miss Lily Mae Stone is quite sick, we are sorry to report.

Born—To Mr. J. W. Duval and wife, a son, on November 22.

FREE RECLINING CHAIR.

"The Henderson Route"—Always First.

Louisville, Ky., Oct. 29, 1908. The traveling public will be pleased to learn of the latest innovation in the way of comfort in travel for its patrons, which is now being offered by that most popular railroad, The "Henderson Route," which road has been rightly termed the "Kentucky's Official Route to the West and Southwest."

It has just been announced from the general offices of the Louisville, Henderson & St. Louis Railway that they now have in service on their night trains between Louisville and St. Louis, Free Reclining Chair Cars, which have just been received from the shops and are a revelation in the car builder's art. The cars are strictly up-to-date, first-class "palaces of travel" on wheels, and this is only one of the many surprises which are promised the public for World's Fair travel on the Henderson Route.

Among other advantages offered in these highly finished cars, a few of the most important points only are mentioned.

They are solidly vestibuled and are furnished with sixty-four reclining chairs, which are upholstered in beautiful green plush, in addition smoking and toilet rooms, the smoking rooms being finished throughout in leather. They are also fitted up with trip trucks, which feature will do away with the jerk, jar and strain incident to travel in the ordinary railway coach, and insures a smooth, comfortable ride. This should prove more than a popular feature in train service to the traveling public, and we can only suggest that in traveling you "get the Henderson Route habit."

have been different from those we handle, for our purses and pocket-books are valuable even when empty. A good substantial money holder, that shuts in your loose change and keeps it, is a money saver. Your pocket can easily look more than the price of a good purse. We make extremely close prices on pocket books and purses, and are always glad to show them.

The railroads, recognizing the importance of the Pastors' Sunday-School Institute to be held in Louisville, December 10-15, have granted a rate of one fare plus 25 cents for the round trip. All pastors will be benefited and provided their names are sent in by December 10. It is suggested that Sunday-schools send their pastor and pay his way. Contributing the magnificent program and splendid array of talent, this ought to bring 1,000 ministers to Louisville. Eight of the most first religious educators of America, including international workers, college presidents, theological seminary presidents and others will take part in the program. While this is specifically a Pastors' Institute, all Sunday-school workers of every class are expected. Board can be secured at reasonable rates.

THE RIGHT THING TO DO.

In last week's paper we made mention of the fact that Rev. John H. Burdick, pastor of Mr. Eden Baptist Church (that formerly of this country), had resigned the charge of that church. Now comes the news that the good people of the church refused to accept Rev. Burdick's resignation and unanimously called him for the seventh time. He will remain with them. Another church of which Mr. Burdick is pastor (Pigeon Fork) has called him for the thirteenth year. John Burdick is a good man and an humble christian.

A DANGER OF THE MONTH.

This is the month of coughs, colds and acute catarrh. Do you catch cold easily? Find yourself hoarse, with a tickling in your throat and an annoying cough at night? Then, you should always have handy, a bottle of Ballard's Horchound Syrup. J. A. Anderson, 354 West 5th St., Lake City, writes: "We use Ballard's Horchound Syrup for coughs and colds. It gives immediate relief. We know it's the best remedy for those troubles. I write this to induce other people to try this pleasant and efficient remedy." 25c, 50c, and \$1.00 at Paul B. Weitzel's.

FIRST CLASS HOTEL.

While on a recent visit to Versailles, we were the guest at dinner of our young friend, Mr. Wm. M. O'Neal, landlord of the Hotel Woodford. Versailles' noted hospitality. For many years the old Dean House (famous all over Kentucky among commercial men for its delightful fare and attention) was run by the grandfather and afterwards by the honored father of the present landlord of Hotel Woodford. They are a family of hotel keepers.

Several years since Hotel Woodford was leased by the father of its present proprietor (Capt. Younger O'Neal) and the old Dean House was closed as a hotel.

The family carried with them to their new location the same energy, brightness and integrity of purpose, and kept up their reputation until the untimely death of our old friend and his good wife.

When this trouble came, their son, Mr. Wm. M. O'Neal, took up the burden laid down by his parents, and by his energy and attention to business has held and enlarged the patronage of this deservedly popular hostelry.

There are numbers of commercial men who now make it a point to reach Versailles in time to spend Sunday at this hotel, where they all have the comforts of home and toothsome vlands prepared for the table under the direct supervision of landlord O'Neal, and his good wife, freed from the objectionable features of hotel fare.

Everything that the market affords in the way of substantial and delicacies are to be found on the table of this house.

Owing to the now almost universal servant problem, many of the best people of that pretty little city have been compelled to quit housekeeping and are taking their meals with Landlord O'Neal.

We rejoice at his good fortune and wish him and his long years of useful and prosperous life.

Any one visiting our little sister city should make it convenient to stop and take a meal at Hotel Woodford.
